Exquisite 5-Bedroom, 4 1/2- Bath custom Colonial on manicured 3-acres home in premier Beacon Hill neighborhood. Enjoy private views of rolling hills from gracious picture windows, fine decorative millwork, gleaming oak hardwood floors and luxurious finishes throughout. Stately approach with sweeping drive and timeless columned entrance. Minutes to NYC Trains, major highways, shopping and superb schools.

Enter to a two-story marble Foyer flooded with natural light and flanked by a lovely Living Room with gas marble fireplace and formal Dining Room, both with triple bay windows. Open flow to spacious Family Room with cathedral ceiling, floor-to-ceiling windows and grand marble-surround gas fireplace. Enormous gourmet Kitchen features granite countertops, Viking and Sub-Zero appliances, custom cherry cabinetry, large pantry and Breakfast area with glass sliders to Patio. Study with custom cherry built-ins, Great Room with 8 windows and double french doors to brick Patio, Laundry Room and Powder Room complete this floor.

Vaulted second level Master Suite features two walk-in closets, a spiral staircase to a Loft and lavish Master Bath with in-cabuzzi, circle
